	Base Load Generation Facility at	)	
	Jenkinsville, South Carolina	)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the Request for Additional Information filed by Mr. Joe Wojcicki ("Mr. Wojcicki") pertaining to the above-captioned dockets. Because of the reasoning stated below, the Request is denied.

The procedure for participating in dockets before the Commission is set forth in the South Carolina Code Annotated ("the Code") and in the Commission's Rules and Regulations. Mr. Wojcicki has chosen to intervene in some of these dockets and has chosen not to intervene in others. According to the Code and the Commission's Rules and Regulations, the time period has elapsed for Mr. Wojcicki to intervene in those dockets in which he chose not to intervene or to request additional discovery in those dockets in which he chose to intervene. For these reasons, Mr. Wojcicki's Request for Additional Information must be denied. Simply put, there is no statutory or regulatory authority on which to base the submission of discovery questions at this time in any of the above-captioned dockets.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

  
Elizabeth B. Fleming, Chairman

ATTEST:

  
John E. Howard, Vice Chairman  
(SEAL)
